- Owner Financing Available
- Trades Welcome
- Bottom Job (August 2024)

Manufacturer's Provided Description

The introduction of the Rampage 38 (and her smaller sistership, the Rampage 30) in 1999 marked the reappearance of the Rampage brand after an absence of nearly 10 years. A handsome boat, she's built on a fully cored hull with a relatively wide beam and an efficient 19 degrees of transom deadrise. The deck layout of the Rampage 38 has a center helm pod forward with an L-shaped lounge to port and wet bar opposite. Aft, the cockpit is equipped with two removable in-deck fish boxes, a custom 55-gallon live-well (with a window), a molded tackle center with sink and cooler, and a transom door and gate. The entire bridge deck lifts on a pair of hydraulic rams to reveal a spacious and well-designed engine compartment. Below, the cabin of the 38 will accommodate four with a double berth forward and a convertible U-shaped dinette to port. Additional features include excellent cabin headroom, a separate stall shower in the head, power windshield center vent, hinged helm (for access to the wiring), tilt steering, and cherry wood interior trim.

Exclusions

Exclusions are to include but are not limited to owner's personal belongings and life raft. A detailed exclusions list will be made available at time of sale upon buyer's written request.
